Talitha Qum (English Version)

Life is hard of that I'm aware
But Jesus tells you, don't be afraid you only need faith

Maybe you've abandoned all hope for yourself
But Jesus tells you that you're not dead, you only resting

If you think that maybe there's nothing else ahead
Jesus takes your hand, my friend,
he gets close to you my brother,
And as with Jared's daughter whispers

Talitha Qum

Chorus:

When you are sick laying asleep
(Talitha Qum)

When you're down feeling you'll drown
(Talitha Qum)

When you're dejected and feel rejected
(Talitha Qum)

When you're done and will fight no more
(Talitha Qum)

Talitha Qum, Talitha Qum, Talitha Qum
My Jesus whispers Talitha Qum

Talitha Qum, Talitha Qum, Talitha Qum
My Jesus whispers Talitha Qum

(Talitha Qum)

Talitha Qum, Talitha Qum, Talitha Qum
My Jesus whispers Talitha Qum

Talitha Qum, Talitha Qum, Talitha Qum
My Jesus whispers Talitha Qum

With Jesus, there's Life in death,
and there's hope even there.

With Jesus, there's Life in death,
and there's hope even there.

If Jesus made it with Jared's daughter
He'll do it with you, take for shure my brother

Jesus wants to revive your heart and soul,
come on men, rise in Faith,
cause nothing is impossible for Him

The way He did it, with Jared's daughter,
Lazarus and Himself, no doubt about it
Don't stay behind, come back to Life

Talitha Qum, Talitha Qum,
Cause victory belongs to Jesus.

Talitha Qum my brother he!
Talitha Qum my brother he!

Talitha Qum, Talitha Qum, Talitha Qum
My Jesus whispers Talitha Qum

Talitha Qum, Talitha Qum, Talitha Qum
My Jesus whispers Talitha Qum

So Jesus has risen for you get on your feet...
Talitha Qum my brother
